Meet Your Course Leader

Apostle
Darren John-Joiles

I'm so glad you've taken the opportunity to join us for what promises to be an exciting 12 months. I'd encourage you to take time outside the sessions to immerse yourself in the subjects we'll be covering. Both in study and in its practical application, this will help you get the most out of the time.

Our quarterly gatherings will allow us to go a bit deeper, answering all your burning questions. We'll also get time for practical ministry where you'll get to exercise the gifts God has given you.

This isn't just another course, it is an appointment. So come and be equipped so that you can be an effective soldier in God's army and be "Deployed". Making manifest the Kingdom of God into whatever territory or space you find yourself.

Every blessing...
